I. Policy

Southside College of Health Sciences (SCHS) establishes a grading system to be used for all coursework at the College.

II. Purpose

The purpose of this policy is to provide clarity and ensure consistency of assigning grades to all coursework taken at the College.

III. Scope

This policy applies to students, faculty, and any department of the College responsible for posting and/or interpreting assignment of grades.

IV. Definitions

Credit/Credit Hour – The number of credits awarded for a given course is determined by the number of lecture, lab, and/or clinical hours spent in class. The following formula is used to calculate credit hours: One semester credit is equal to:

- One hour of lecture per week for a semester or the equivalent number of hours.
- Two hours of lab per week for a semester or the equivalent number of hours.
- Three hours of clinical per week for a semester or the equivalent number of hours.

V. Policy Details

All course work offered at the College uses the grading scale provided below:

GRADING SCALE					
LETTER GRADE	NURS/DMS/RAD CLASS/LAB THEORY	MEANING	NURS CLINICAL	DMS/RAD CLINICAL	QUALITY POINTS PER CREDIT HOUR
A	93-100	Excellent	SAT	93-100	4
B	86-92	Above Average	UNSAT	86-92	3
C	80-85	Average		80-85	2
D	74-79	Unsatisfactory			1
F	0-73	Failure		0-79	0
I		Incomplete			Not Used in GPA
W		Withdrawal			Not Used in GPA
WA		Administrative Withdrawal			
AU		Audit (No Credit)			Not Used in GPA
MG		Missing Grade			Not Used in GPA

A final grade in any course taken at SCHS less than a “C” (defined as D, F) is considered failing and the student must repeat the course and successfully complete it.

In calculating the final course grade, 0.5-0.9 will round up to the next numerical grade and 0.1-0.49 will round down to the next lower numerical grade. Classwork, homework, quiz, and exam grades will not be rounded down or up.

Each course syllabus contains the course requirements and the criteria for determining the theory and/or clinical performance grades.

Grade Point Average (GPA)

A student’s GPA is an index of scholastic performance and is computed on the ratio of quality points earned to semester hours attempted. *Courses with grades of I, P, W, WA, AU are not used in the calculation of the GPA. A student’s GPA is calculated by dividing the sum of earned quality points by the sum of attempted hours for all courses receiving a grade used in calculating the GPA (see below). Only credits taken while enrolled at the College are used in the GPA.

The following is a sample of a grade point calculation:

COURSE	GRADE	CREDIT HOURS	QUALITY POINTS	TOTAL QUALITY POINTS
DMS 261	B	3	X 3	= 9
DMS 271	A	5	X 4	= 20
DMS 250	B	4	X 3	= 12
		12		41

Dividing the total number of points (41) by the total number of credit hours (12), the resulting GPA is 3.42.

Incomplete Grades

An incomplete grade may be assigned by the instructor for theory or clinical requirements when extenuating circumstances such as illness or other emergency prevent a student from completing course requirements by the end of the course. Failure to satisfactorily complete the necessary course requirement(s) within the approved time frame will result in course failure. This time frame shall be by the first official date of the following semester. A waiver may be granted by the Director of Student Services in extenuating circumstances in which the time frame is unreasonable. If a waiver is granted, the student must meet the course requirement(s) no later than the end of the 4th week of the following semester.

Auditing a Course

Class size permitting, students may register for courses on an audit (AU) basis. Auditing a course means a student enrolls in a course but does not receive academic credit upon completion of the course. Students wishing to audit a course must contact the Director of Student Services to complete the Conditions for Auditing form. Registrations for audit will only be accepted during the published add/drop period. Students who register for a course on an audit basis are subject to attendance regulations of that course and, unless otherwise specified at the discretion of the instructor, are subject to the same course requirements as other students in the class. Students may be administratively withdrawn for a violation of course requirements. Audit courses are not eligible for financial aid, included in the calculation of GPA, counted towards enrollment status or the maximum time frame allotted to complete the program in which the student is enrolled. The standard tuition/fee rate is charged for audit courses.
