If there is no required textbook for the course indicated, that will be stated (i.e., HNU 3001). Also please carefully read all “NOTES” in red font. This will provide information for textbooks that are required for multiple classes. For example, NUR 3118 & NUR 3118P use the same textbook. You only need to select the Essentials of Psychiatric Mental Health Nursing textbook once (in either NUR 3118 or NUR 3118P, but not both).
