**Policy Status:** Approved

## **I. Policy**

Program Admission

## **II. Purpose**

This policy describes the admission requirements for prospective students to be admitted to Bon Secours Southside College of Health Science (SCHS).

## **III. Scope**

This policy applies to prospective students seeking admission to SCHS.

## **IV. Definitions**

None

## **V. Policy Details**

### **Policy Statement:**

To be eligible for admission to SCHS in any published year, the application and all required materials must be received by the published deadlines.

- Admission to the Diagnostic Medical Sonography program occurs once a year, in the spring semester.
- Admission to the Nursing program occurs five times a year.
- Admission to the Radiologic Technology program occurs once a year, in the fall semester.

The Office of Admissions submits all completed applications to the Program Directors for decision and approval.

All students must adhere to the College Admissions/ Readmission Policy (ADM 3.11).

Admission into SCHS is competitive. An applicant who meets all requirements is not guaranteed acceptance to the program.

### **Diagnostic Medical Sonography Program Admission Requirements**

- Graduation from an accredited high school or General Educational Development (GED) certificate. The admission office will confirm all students' transcripts arrive from a high school with a College Entrance Examination Board (CEEB) code, as well as the high school seal and/or signature. If a transcript is from a high school that lacks a CEEB code or seal/signature, the admission office will investigate to confirm the school is recognized by the state department of education or home school association (see link below). If a diploma is determined invalid, a GED may be required for admission consideration.

<https://www.nacacnet.org/knowledge-center/professional-standards/compliance-center/verification-of-high-school-completion/>

- Completion of a human health career program in one of the following disciplines: Radiologic Technology, Nursing, Certified Nursing Aide, Certified Medical Assistant, Emergency Medical Technician, Nuclear Medicine, Physical Therapy, Phlebotomy, Occupational Therapy, Dental Assistant, or Surgical Technology. Additional healthcare professions with direct patient care will be evaluated on an individual basis.
- Completion of 17 general education credits toward the AAS degree. For transfer credit guidelines refer to policy ADM 3.10.
  - College Math or Statistics (3 credits)
  - Physics or Radiologic Physics (4 credits)
  - General or Developmental Psychology (3 credits)
  - Anatomy & Physiology I (completed within the last 10 years) (4 credits)
  - English I (3 credits)
- Achievement of a cumulative grade point average of 2.5 or greater in the general education course requirements.
- Provision of official transcripts from high school, high school diploma or GED program certificate and all post-secondary schools/colleges/universities attended. A transcript evaluation must be submitted for any foreign institutions attended.
- Notice to SCHS of any convictions or present indictment for any felony or misdemeanor offense other than traffic violations that have not been expunged.

- Attend a SCHS DMS Information Session.
- Interview

**Once a student is offered admission to the program, the following are other requirements that must be completed before a student will be allowed to attend classes:**

- Attend "New Student Orientation".
- Submit clinical compliance requirements as stated in policy ACA 1.03.

### **Nursing Program Admission Requirements**

- Nursing applicants must attest to possessing the following Essential Skills and Competencies for Distance Education courses:
  - Basic computer skills including, but not limited to:
    - Ability to communicate following rules of netiquette;
    - Ability to conduct web searches;
    - Ability to download/upload files;
    - Ability to communicate and collaborate asynchronously
  - Basic reading and writing skills
  - Time management and goal setting skills dedicated to prioritizing course work
  - Ability to learn from text and multimedia
  - Problem solving skills
  - Willingness to seek support
- Graduation from an accredited high school or General Educational Development (GED) certificate. The admissions office will confirm all students' transcripts arrive from a high school with a College Entrance Examination Board (CEEB) code, as well as the high school seal and/or signature. If a transcript is from a high school that lacks a CEEB code or seal/signature, the admission office will investigate to confirm the school is recognized by the state department of education or home school association (see link below). If a diploma is determined invalid, a GED may be required for admission consideration.
