I. Mission, Vision and Values

This policy reflects our commitment to human dignity, integrity, compassion, stewardship, and service by guiding decisions and actions that uphold respect for all individuals and promote excellence in our work.

This policy aligns with our mission of extending the compassionate ministry of Jesus by improving the health and well-being of our communities and providing good help to those in need, especially the poor, dying, and underserved by ensuring that our practices support ethical, effective, and accountable service across all areas of the organization.

II. Policy

Curriculum Planning

III. Purpose

The purpose of this policy is to provide guidelines for planning student progression through the Associate of Applied Science programs at Southside College of Health Sciences. The programs publish suggested curriculum plans that illustrate the sequencing of courses in a manner that represents pre- and co-requisite course requirements.

IV. Scope

This policy applies to all students of SCHS as defined.

V. Policy Details

Upon admission, each student is registered for all courses on the curriculum plan. Students who remain registered in the originally scheduled plan will have guaranteed matriculation in the program. Students who veer from that original registration plan will collaborate with their Student Success Advisor to revise

their registration plan. The revised registration plan is subject to approval of the Program Director. If the revised plan is approved, the student will be re-registered for all courses on the revised plan.
