Services for students encompass academic success advising and support to help students meet their educational goals. Student Success oversees academic advising and counseling, peer academic support services (PASS), access and accommodation requests, referrals for personal counseling and needs-based programming (individual and group workshops addressing study skills, test taking strategies, time management, stress management and related topics).

Success advisors work individually with students at the start of their nursing education and throughout their entire academic journey. They assist students in developing skills and strategies which foster independence: active learning, academic success, progression, timely degree completion, and achievement

of their education goals. Advisors serve as a vital connection between the student and the college resources available and support relationship building with faculty. Success advising is required of each student.
